Second Annual Conference on
CO-OCCURRING DISORDERS:
Treating Substance Abuse and Mental Health
Disorders Across the Lifespan

June 2-3, 2003

Long Beach Convention Center
300 East Ocean Boulevard
Long Beach, California 90802

Co-sponsored by:

Los Angeles County Department of Alcohol and Drug Programs
Los Angeles County Department of Mental Health
The California Department of Alcohol and Drug Programs
Center for Substance Abuse Treatment
Substance Abuse Mental Health Services Administration
PROTOTYPES Centers for Innovations in Health, Mental Health and Social Services
The Pacific Southwest Addiction Technology Transfer Center
The Staff Development Committee
Los Angeles Practice Improvement Collaborative
CalWORKS/DPSS

You are invited to the **Second Annual Conference on Dual Diagnosis in Long Beach, California**. The Conference will provide an important opportunity for policy-makers, service providers, administrators and front-line staff of CBOs, educators, researchers, consumers, families, and other stake holders to explore state-of-the-art models, practices and findings about co-occurring disorders and how these models, practices and findings are applied to treatment and dissemination of information.

The Conference Objectives are the following:

- ◆ To further the collaboration between Alcohol and Drug Programs and the Department of Mental Health at the State and County levels.
- ◆ To highlight the changes in treatment systems that have occurred in recent years.
- ◆ To identify best practices in addressing the complex needs of persons with co-occurring disorders.
- ◆ To increase awareness of strategies which address the interrelationships between cultural issues and co-occurring disorders.

The Conference program is structured around 5 Tracks

- ◆ Innovative Models of Treatment
- ◆ Psychiatry
- ◆ Child, Adolescent, Family and the Elderly
- ◆ Cultural Competence
- ◆ Regional Training with Specialty Focus for Local Providers

Plenary addresses, workshop sessions and a variety of displays featured in the Exhibit Hall will provide a number of opportunities for conference attendees to interact and network with colleagues and speakers.
